

# Home Care Manager – Registered Nurse

**Company:** CHANS Home Health & Hospice

**Location:** Brunswick, ME

**Job Type:** Full Time

**Category - CLINICAL**

**\*\* For a limited time MaineHealth is offering up to a \$20,000 sign on bonus for Registered Nurses with greater than 3 years of RN work experience! \*\***

- Relocation assistance offered to candidates who qualify.
- Eligible candidates are hired (offer accepted) into a Full or Part time RN position. Bonus amount prorated for Part time hires, per diem hires are ineligible.
- Current MaineHealth member employees are ineligible; former MaineHealth Members are ineligible until greater than 6 months separation from employment.

**CHANS Home Health & Hospice** is full service non-profit, Joint Commission Accredited agency providing skilled home health, hospice, and an array of community-based wellness clinics and support services in Midcoast Maine. Part of Mid Coast–Parkview Health, CHANS has been providing home health and wellness services in our community since 1947. When you or a loved one is sick, recovering from surgery or an acute or chronic illness, or approaching the end of life, there is no place like home. We provide medical services in your home, where you are most comfortable.

## Position Summary

Manages the patient and employee activities of the Skilled Nursing or Hospice department under the direction of the Senior Director of Clinical Services. Demonstrates commitment to agency's goals and to the organization's mission, vision, and values. Acts as an advocate for patients and families needing home care services and oversees the patient experience and outcomes of home health care.

## Required Minimum Knowledge, Skills, and Abilities (KSAs)

- **Education:** Bachelor of Science in Nursing is preferred, or comparable years of management/leadership experience required along with minimum of ADN.
- **License/Certifications:** Currently licensed as an RN in the state of Maine.
- **Experience:** Experience working in Home Health or Hospice. 3 Years of Leadership experience preferred.

**About MaineHealth:**

MaineHealth is a not-for-profit integrated health system whose vision is, “Working together so our communities are the healthiest in America.” MaineHealth consists of nine local health systems, a comprehensive behavioral health care network, diagnostic services, home health agencies, and 1,700 employed clinicians working together through the MaineHealth Medical Group. With approximately 22,000 care team members, MaineHealth provides preventive care, diagnosis, and treatment to 1.1 million residents in Maine and New Hampshire. Learn more about our system at [mainehealth.org](http://mainehealth.org)

At MaineHealth, we offer benefits that support an individual's needs for today and flexibility to plan for tomorrow. Our packages include health and dental insurances, paid parental leave, retirement program, generous paid time off, and much more! Our comprehensive array of benefits are competitive, affordable, and include choices that meet specific, but ever-changing, needs.

With a career at any of the MaineHealth locations, you'll be working with health care professionals that truly value the people around them – both within the walls of the organization and the neighborhoods that surround it. We are deeply invested in the well-being of our communities and care for team members. We believe in fostering a work environment of strong commitment, compassionate caring, and continuous improvement. Join us, and your abilities will be challenged and enhanced as you take your career to a new level.

*MaineHealth values diversity and is an Equal Opportunity/Affirmative Action employer. Federal and state laws prohibit discrimination in employment because of race, color, national origin, religion, age, sex, sexual orientation, disability, or veteran status.*
